SERVICE	School website development

1. School website development

DigitalCore Business Systems is pleased to provide this quotation for the development of a modern, professional and mobile-friendly website for Swaneng English Medium Primary School.

The website will present clear information about the school and will be easy for authorised school staff to manage and update.

Included features

- Professional website design
- Mobile-friendly and responsive layout
- Home page
- About the School page
- Academic information pages
- Contact page
- News and announcements section
- Photo gallery
- Social media integration
- Contact form
- Administrator login for website management

2. Website content management

The website will include a user-friendly administration panel that allows school staff to update the website without technical knowledge.

Authorised staff will be able to

- Update website content and text
- Upload and manage photos
- Publish news and announcements
- Update contact information

- Add and edit pages as required

3. Quotation

Description	Amount (BWP)
