Swaneng English Medium Primary School

QUOTATION DATE

10 August 2026

PREPARED BY

DigitalCore Business Systems

VALIDITY

30 calendar days**Fixed project investment****BWP 7,500**

Proposed outcome

DigitalCore Business Systems is pleased to provide this quotation for the development of a modern, professional and mobile-friendly website for Swaneng English Medium Primary School.

The website will provide information about the school and will be easy to manage and update by authorised school staff.

Included features

- Professional website design
- Mobile-friendly and responsive layout
- Home page
- About the School page
- Academic information pages
- Contact page
- News and announcements section
- Photo gallery
- Social media integration
- Contact form
- Administrator login for website management

1. Website content management

The website will be developed with a user-friendly administration panel that allows school staff to update the website without needing technical knowledge.

The school will be able to

- Update website content and text
- Upload and manage photos
- Publish news and announcements
- Update contact information
- Add and edit pages as required

2. Quotation

Description	Amount (BWP)
School Website Development	P7,500

Special package offer

PACKAGE PRICE

If the website is taken together with the School Management System, the website price will be **P5,500**.

3. Delivery and payment

Delivery period

Estimated delivery time is **2 to 4 weeks** from the date of approval and receipt of required content.

Payment terms

- 50% deposit before commencement of work.
- 50% upon completion and handover.

Notes

- Domain registration and hosting fees are excluded unless otherwise agreed.
- Any additional functionality requested outside the agreed scope may be quoted separately.
- Basic training on how to update the website will be provided.
